Hello Autumn!

Its been a busy 3rd Quarter! I have been working very hard developing the Lincolnshire Strong Voices Programme for Young People, as well as continuing to engage with my Neighbourhood Policing Teams, and the Community.

Below are some of the events I have been taking part in this last quarter:

On July 6th, Safer Together Coordinator for Boston and South Holland Alan and I attended the Lincolnshire Association of Local Councils networking event in Woodhall Spa. This proved to be a good opportunity to meet some of the local councillors and speak about the work the Safer Together Team is doing in their areas.

On the 20th July I competed Anti-Social Behaviour Patrols with the Safer Neighbourhoods Team and The Stamford Bourne and Deepings Neighbourhood Policing Team. We spoke to lots of people in the area and supported the ongoing work of the priorities. The Photo to your right is of Sargent Crisp and Kati Conway Senior Safer Neighbourhoods Office and I, at the Meadows in Stamford.

30th of July I attended the Heckington Show with the Sleaford Neighbourhood Policing Team as well as the Rural Crime Team. We had an excellent time engaging with the community, and promoting support against Rural Crime as well as the Lincolnshire Strong Voices Project.

On the 26th of September Safer Together Coordinator for Lincoln and West Lindsey, Stephanie and I attended the University of Lincoln Freshers event. Here we engaged with over 700 new students to promote the Lincolnshire Strong Voices Project.

Herbert Protocol

The Herbert Protocol is a national scheme adopted by Lincolnshire Police and other police services across the country. It encourages carers, families, friends or neighbours, to hold information about the person with dementia that can help the police find them if they go missing.

The basis of the scheme is for vital information about the person such as medication, description, photograph, significant places in the person's life and their daily routine, to be recorded on a form.

The form can be downloaded or printed from Lincolnshire Police website [Missing persons | Lincolnshire Police \(lincs.police.uk\)](http://Missing persons | Lincolnshire Police (lincs.police.uk)) or pick one up from your local police station.
